

List of states that grant reciprocity in the field of public procurement under Switzerland's international treaties, according to the typology of the contracting entity (Art. 6, par. 3 PPA)

Status as of 1 January 2021

Information on the level of international thresholds in CHF as well as on goods, services and construction works covered by international treaties can be found in Annexes 1 to 4 of the Public Procurement Act (PPA) of 21 June 2019 ([SR. 172.056.1](#)). Specific provisions concerning the relevant international agreements are reserved.
